

USS Cusk SSG 348 Newsletter

Issue 14

September 2010

This is the last Cusk Newsletter that Lu and I will produce. The first issue we did was in the Fall, after the Reunion, in 2004. That is when Lu and I relieved Sam Lyons. Since that time, we have produced, including this one, 14 Cusk Newsletters.

Without the help of Lu, there would have been none. This has been a joint level done with lots of love. We thank all of you for the support and all the kind words.

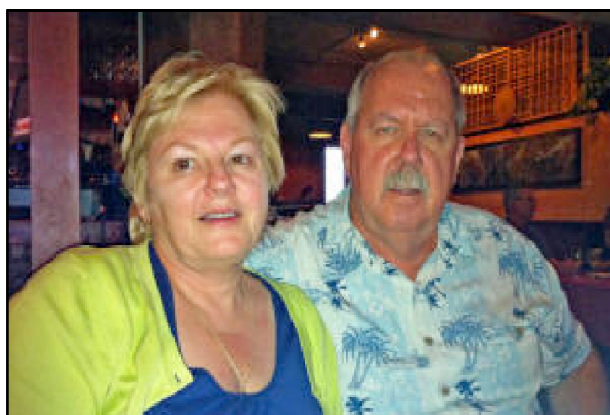

But it's time to turn the Cusk Newsletter to a new editor. Introducing Tom Roseland as the new Cusk Newsletter editor. We hope you will give all your support to Tom.

Tom's address is:

Tom Roseland
1635 Sea Shell Drive
Merritt Island, FL 23952

Tom and Pat Roseland

We wish to express our gratitude to all the boosters who have donated their funds to keep the Cusk Newsletter solvent.

It has been a real pleasure to work with Delmer and Shirley. They have done such a good job from the first reunion in Deadwood SD till this one in Colorado Springs CO. They will be sorely missed.

Until we meet again, goodbye.

Bill and Lu

Shirley and I wish to thank everyone that attended the reunion for the cards and gifts given to us. We enjoyed putting the reunion together and we hope everyone had a good time. The ladies had great fun with their hats and playing Bunko.

We were honored to have plank owners Leo Kunkel, Les Shrum and Vern Barlow with us and we hope we honored them with their presence.

It was nice to have Terry Fallatt, Lyn Ghiselen and Karen Lyons to celebrate the reunion fun with us.

Bye from Shirley and I and we hope to see everyone in Washington in two years.

Cusk Reunion

Cusk SSG 348 Reunion August 15th-August 19th 2010 Welcome to Colorado Springs "America the Beautiful"

Attractions:

USAF Academy, Garden of the Gods, Pikes Peak with Cog train to the top of the Peak. An evening of supper and western stage show at the flying W ranch. One afternoon we had lunch and some shopping in Manitou Springs.

Downtown Colorado Springs Site of the USS Cusk 2010 reunion August 15-19, 2010

There are a few 2010 Reunion pictures out on the Cusk Website with more coming soon (<http://www.uscusk.com> or <http://www.uscusk.com/2010%20Reunion.htm>) Would welcome any pictures you might like to send.

Please remember too that, as usual, I'm asking for any pictures, stories, memorabilia, etc. that we can preserve for the Cusk website and the Cusk museum display at the Brevard Veteran's Museum on Merritt Island.

Also available is a sample license plate that I got from Robbie Robison. This is a custom license plate that was recently approved for the state of Tennessee and it can be used as a sample for any other state to use. Please consider presenting this at your respective USSVI's, state legislature, motor vehicle department, etc. Hopefully, we can get a custom Submarine Veteran license plate in all 50 states.

And one more thing...Robbie also reminds us (and my bad memory for getting this out late) that there was a TV special on PBS entitled "TENNESSEE CROSSROADS" at 7:00 P.M. It is a show on Submarine memorabilia and it's sure to come around again so you might be checking your TIVO for it.

Best to all and "Green Board!"
